

**Director of Clinic
Mojka Renaud
Licensed Nutritionist / Dipl of Acup. (NCAA)**

This is to clarify our mutual understanding of your course of treatment at Holistic Options, Inc. Mojka Renaud is an acupuncture physician and licensed nutritionist. Her services are restricted to the subject of acupuncture, homeopathy, herbs, diet and nutritional matters intended for the maintenance of the best possible state of health. Electro or traditional needle acupuncture or moxibustion will only be performed on patients who voluntarily consent to these services.

I understand that this is a voluntary, supplemental course of biochemical, nutritional balancing with non-invasive treatments described above. The treatments described above, **do not substitute** for conventional medical office visits with your primary care doctor or other medical specialists such as gynecologists or oncologists. The Limbic Stress Assessment System (LSA) /Zyto and Thermography/ DITI or CRT does not substitute for conventional, routine medical tests such as X-ray, CAT Scans, MRI's, PAP Smear tests or Mammograms. We recommend a follow-up with your regular physician to discuss and determine the testing results.

I certify that I have read and understand the information above and will comply with the terms of this agreement.
